

Manny

Meekz

Hunnid bags for couple pics
Hand tings wid rubber grips
50 bands for a show
Still putting bands on my dough
30 for a brick, couple milli for a tape
Now the world's my estate
Let me separate the real from the fake
Lookin' like I hit a lick
Money up, that's bigger sticks
More sweets than pick and mix
We just nasty little shits
Turned professional, you must've seen me at the BRITs
I'm in the back
Reasonin' wid Giggs and couple geniuses

I hit a hunnid licks, a hunnid bricks
'Cause I'm from Manny (Manny)
I got this semi-automatic strally put down in the alley
'Cause I'm from Manny
I got these gloves and this bally, mek ya cry for ya mammy
'Cause I'm from Manny
Pussy, check the tally, get smoked like Cali
For bein' a chatty patty
'Cause I'm from Manny

Big lit, six figs for a couple of pics
Stuck in the mix, I hug the strip while you cuddle your bitch
But I ain't rich until my bruddas are rich
If they ain't puttin' work in, then I ain't fuckin' wid him
But where was you when I was circulatin' lookin' for him
I spent my eighteenth stuck in the bin
Lives get taken by the push of a pin
Push of a button got me lookin' to sin
Why I'm pushin' it in
And, man, I love me a spin
I like semi autos but the spinner's more reliable
If suttin gets dropped on my block, they say I'm liable
My location stays unjustifiable
Shit can get messy like Lionel

I hit a hunnid licks, a hunnid bricks
'Cause I'm from Manny (Manny)
I got this semi-automatic strally put down in the alley
'Cause I'm from Manny
I got these gloves and this bally, mek ya cry for ya mammy
'Cause I'm from Manny
Pussy, check the tally, get smoked like Cali
For bein' a chatty patty
'Cause I'm from Manny

500k off couple songs
Wrap it up, ain't nuttin long
London on my ones
Change the game when I come along
This ain't just another song
I need a couple number ones
Couple winter slaps, couple summer songs

You know the ones, they know my songs
All the real soldier ones
VIP section and we closin' it off
You know I'm overly hot
So put your phones in a box
Skin tone golden brown like the rose in my watch

I hit a hunnid licks, a hunnid bricks
'Cause I'm from Manny (Manny)
I got this semi-automatic strally put down in the alley
'Cause I'm from Manny
I got these gloves and this bally, mek ya cry for ya mammy
'Cause I'm from Manny
Pussy, check the tally, get smoked like Cali
For bein' a chatty patty
'Cause I'm from Manny

Hit a hunnid licks, a hunnid bricks
'Cause I'm from Manny (Manny)
I got this semi-automatic strally put down in the alley
'Cause I'm from Manny
I got these gloves and this bally, mek ya cry for ya mammy
'Cause I'm from Manny
Pussy, check the tally, get smoked like Cali
For bein' a chatty patty
'Cause I'm from Manny
