Meet Me @ The Altar

How are you doing these days?
Cause you never come around, never come around
I just wanna know if you're doing alright
The words I scream are made for you to
Hear but you're not here
So I'll just keep on singing to the trees

It's been a couple months and ever since I've been dreaming of
your face
Does your mouth ever speak my name?
And if you must know, I've been tripping over the same branch t
hat brought me to my knees
It's pathetic but I can't change a thing

You left me standing there
And I don't know
What I don't know
Do you care
That I still wait for you?
I still wait for you

Your voice around was the
Sweetest of sounds and now
I haven't found something
That makes me feel
Anything other than the weight
That's pushing on my shoulders
Why couldn't you give me the closure I need
(All I want is closure)

You left me standing there
And I don't know
What I don't know
Do you care
That I still wait for you?
I still wait for you

I will wait
I'll always wait
You've given up slowly on this love
You only want more, I'm not enough

Out of sight, out of mind
Out of sight, out of mind
Out of sight, out of mind
Out of sight, out of mind
