

# Balls In Your Court

Meg Donnelly

I'm stuck in the middle  
Bein' with you is kinda like tryin' to solve a riddle  
You're playin' games with my heart now, I can do without it  
On a mission for the truth, no lie, I've been havin' doubts, yeah  
All I'm sayin' is we could keep it

Minimal and cordial all day  
And I can keep it movin' my way, yeah  
You know that I really wanna stay  
But honestly

The ball is in your court  
Tell me just what you want  
'Cause you're in and out the door  
So please be clear, I need you here  
But the ball is in your court  
'Cause my love is not a free throw  
Shootin' your shot for fun  
Swear you're runnin' outta time, but the ball is in your court

Every word you said is on my mind stuck on replay  
Smilin' on the outside, but inside, it hurts to feel this way  
Way too complicated, other things I should be chasin'  
'Stead, I'm runnin' back to you, to you (Always runnin' back to you)  
Blame it on the timin', all I know is that I'm deep in  
All the time we shared, I never thought it would be fleetin'  
Playin' it by ear, but trust me, I need a decision  
Yeah, you know that we could keep it

Minimal and cordial all day  
And I can keep it movin' my way, yeah  
You know that I really wanna stay  
But honestly

The ball is in your court  
Tell me just what you want  
'Cause you're in and out the door  
So please be clear, I need you here  
But the ball is in your court  
'Cause my love is not a free throw  
Shootin' your shot for fun  
Swear you're runnin' outta time, but the ball is in your court

This ain't a song, it's a letter  
Tryin' to keep us together (Yeah)  
You keep runnin' from my love, I won't chase you forever (Oh)  
Put the ball in your court, probably think 'bout my heart (Yeah)  
Good only means lonely, I don't wanna restart with no one  
'Cause I know that you care for me  
And my heart, like it's glass, hold it carefully  
I don't know 'bout everything you do all the time (Yeah)  
Know your love is like a drug, it's just one of a kind (Yeah)  
I don't really open up 'cause it got me really scared (Yeah)  
You was just that girl that showed me that you really cared  
And I could just cut you off if I really didn't care (Yeah)  
But the ball is in your court (Yeah)

Your court (Yeah)  
Tell me just what you want  
'Cause you're in and out the door (Oh)  
So please be clear, I need you here  
But the ball is in your court (Yeah)  
'Cause my love is not a free throw  
Shootin' your shot for fun  
Swear you're runnin' outta time (Yeah), but the ball is in your court (Yeah)  
  
Like, yeah
