

Bust a Left

Meg Donnelly

I was walkin' down the street yesterday
Gotta look both ways, that way
Seen a clown and a few snakes
We gon' make 'em bust a left when they see us
Never let a fake friend get between us
I was ridin' down the street yesterday
Say I've got it our way, 'cause they
There's no traffic in your own lane
We gon' make 'em bust a left when they see us (Skrرت, skrrrt)
Never let a fake friend get between us

We make shots, we can't stop (Ayy)
Check the score, we on top
I wanna ball those up the clock
I wanna dance like oh, na, na, oh, na, na
We don't want no drama
Ice water
We'll never worry 'bout 'em
I'm on another level, what's up?
Good karma, love is what I'm wishin' for ya

And you know my fits poppin' and we chillin'
Lookin' good that's just the way we feelin'
Now I'm hangin' with the bestie and we twinnin'
And I keep my fam first that's why we winnin'

I was walkin' down the street yesterday
Gotta look both ways, that way
Seen a clown and a few snakes
We gon' make 'em bust a left when they see us (Skrرت, skrrrt)
Never let a fake friend get between us
I was ridin' down the street yesterday
Say I've got it our way, 'cause they
There's no traffic in your own lane
We gon' make 'em bust a left when they see us (Skrرت, skrrrt)
Never let a fake friend get between us

We too hot, we take spots
Check the score, we on top
I don't fold, I raise up
Just let me sing like, oh, la, la, oh, la, la
We don't care about a dolla', or a holla'
We just wanna chill and do us
People wanna talk that blah, blah, blah
Second karma, love is what I'm wishin' for ya

I was walkin' down the street yesterday
Gotta look both ways, that way
Seen a clown and a few snakes
We gon' make 'em bust a left when they see us (Skrرت, skrrrt)
Never let a fake friend get between us
I was ridin' down the street yesterday
Say I've got it our way, 'cause they
There's no traffic in your own lane
We gon' make 'em bust a left when they see us (Skrرت, skrrrt)
Never let a fake friend get between us
