

# Predictable

Meg Donnelly

Do you love me? Do you love me not?  
'Cause I loved you, but you played the part  
Throwin' daggers, what a work of art  
Saw all the signs, but I brushed 'em off

Now I'm like, "Boy, bye"; Why do you lie? (Yeah)  
Go dry your eyes, don't act surprised (Yeah, yeah)  
You criticized me too many times (Yeah)  
You crossed the line and I'm gettin' the last laugh now  
Oh, wow  
Look how you're left dealin' with all those cards you dealt  
I'm so much better off without that guilt  
Of knowin' we don't work, us two  
I know that it's overdue (Overdue, yeah)  
Tell me

Why you gotta be so predictable? (So predictable)  
Your drama's on repeat like that merry-go, baby (Oh, oh)  
Why you gotta be so predictable? (So predictable)  
'Fore you count to 3, I'll be out the door  
I'm leavin', I'm ghost, I'm ghost, I'm ghost  
So predictable-table  
You said you wouldn't hurt me  
Why you gotta be so predictable? (So predictable)  
Why you gotta be so predictable?

Pushed my family and my friends away  
'Cause they knew all of the games you play  
Caught all your lies in the web you made  
There's nothin' left to do, no, I can't stay

So I'm like, "Boy, bye"; Why do you lie? (Yeah)  
Go dry your eyes, don't act surprised (Yeah, yeah)
