

We Own The Night

Meg Donnelly

No one's catching me unless I wanna be caught
I'm dancing in the shadows, ain't no leash when I walk
It's great to feel invincible, it's great to feel alive
My appetite's insatiable, there's nowhere it can hide
Our freedom isn't up to them, it's only up to us (Us)
I'm the alpha, I'm the leader, I'm the one to trust (Trust)
Together we do whatever it takes, we're in this pack for life (Awoo)
We're wolves, we own the night

Oh, we own what we own, oh, we own the night
Oh, we own what we own (Awoo), we own the night!
The only thing that is worse than our bark's our bite
Oh, we own what we own (Awoo), we own the night!

I'm picking up the scent, it seems we're on the right track (Track)
The moonlight's on the rooftops, the wind is at our backs (Backs)
We're living in the shadows, we're living for the chase (Chase)
Our legacy is in our sights, so let's pick up the pace
We're on a quest to find the power that's inside of us (Us)
She's the alpha, she's the leader, she's the one to trust (Trust)
Together we do whatever it takes, we're in this pack for life (Awoo)
We're wolves, we own the night

Oh, we own what we own, oh, we own the night
Oh, we own what we own (Awoo), we own the night!
The only thing that is worse than our bark's our bite
Oh, we own what we own (Awoo), we own the night!

We own what we own
The night is our home
We own what we own (Wolves, awoo)
We own the night

Oh, we own what we own, oh, we own the night
Oh, we own what we own (Awoo), we own the night!
The only thing that is worse than our bark's our bite
Oh, we own what we own (Awoo), we own the night!
