

# He Said No

Meg Mac

(He said no and I could not believe it)

Everywhere I go  
He follows  
Everything I do  
He's there  
Until my world came crashing down  
Who's gonna love me now  
He's not there?

Oh yesterday was wonderful  
'Cause I didn't know what he was gonna say  
I drove him to the airport  
Thinking I'm the one who's gonna make him stay

Then he said no  
Now I'm crying at the airport  
My number one is on the run  
And I don't know when or if I'll ever see him again  
I'm, I'm begging someone bring him home

(He said no and I could not believe it)  
He said no  
(He said no and I could not believe it)  
He said no  
(He said no and I could not believe it)  
He said no  
(He said no and I could not believe it)

I sit here watching planes as they touch down  
I'll count each one until he comes around  
Oh yesterday was wonderful  
When I thought I knew what love was all about  
(I thought I knew, then he broke my heart)

When he said no  
Now I'm crying at the airport  
My number one is on the run  
And I don't know when or if I'll ever see him again  
I'm, I'm begging someone bring him home

Can you believe it?  
He said no no  
Can you believe it?  
He said no no  
Can you believe it?  
He said no no...

Then he said no  
Now I'm crying at the airport  
My number one is on the run  
And I don't know when or if I'll ever see him again  
I'm, I'm begging someone bring him home

(He said no and I could not believe it)
