

Hope

Meg Mac

I'll hold on, baby
'Til it kills me, kills me, kills me, kills me

Hope has gotta go
But where's it gonna go?
Where's it gonna go?
I can't let it go
'Cause then my day could come
When I'm not holding on

And I know it's no kinda life
And I hope it's gonna be alright
Can't keep using up all my days thinking about it
And I dream about moving on
And I dream about giving it up
But I can't find my way without it

Oh oh, when you want it, you want it
Oh oh, and I promise to love it
Oh oh, and I want it, I want it
I'll hold on, baby, 'til it kills me, kills me

Hope, when I'm filled with doubt
Makes me wanna scream
Makes me wanna shout
But I can't, can't let it out
'Cause I've been here too long
But I just can't be wrong

And I know it's no kinda life
And I hope it's gonna be alright
Can't keep using up all my days thinking about it
And I dream about moving on
And I dream about giving it up
But I can't find my way without it

Oh oh, when you want it, you want it
Oh oh, and I promise to love it
Oh oh, and I want it, I want it
I'll hold on, baby, 'til it kills me, kills me
Kills me, kills me

Don't worry
Say don't worry
Say don't worry
Say don't worry
Say don't worry
Say don't worry
Say don't worry
Say don't worry

And I know it's no kinda life
And I hope it's gonna be alright
Can't keep using up all my days thinking about it

Oh oh when you want it, you want it
Oh oh and I promise to love it

Oh oh and I want it, I want it
I'll hold on, baby, 'til it kills me, kills me
Kills me, kills me

Said don't worry about me
Said don't worry about me
Said don't worry about me
Said don't worry about me
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
Say don't worry
(Said don't worry about me)
