

## Known Better

Meg Mac

Didn't think that I'd be back here so soon  
I, I should've known better  
I, I should've known better  
I swore I'd never make it  
Back here again  
I, I should've known better  
Should've known better  
Little boy you knew that I'd be back some day  
Little boy inside my head, I thought you had my back, oh boy  
Little boy inside my head I know that you've been working so hard  
rd  
You should've known better

Oh, boy you know I messed it up this time  
It's too late, you can't come back  
I'm sorry little boy, I know that you've been working so hard  
You should've known better

If you sit in cold enough water  
If you drink enough of this shit  
Then you'll know  
You should've known better  
You should've known better

Oh, boy you know I messed it up this time  
It's too late, you can't come back  
I'm sorry little boy, I know that you've been working so hard  
You should've known better

Oh, in my head it was clear as the day  
You were hoping that I'd just walk away  
And take it back, I would take it back

You should've known better  
I'm sorry, I'm sorry  
You should've known better  
I'm sorry, I'm sorry
