

On Your Mind

Meg Mac

Was I on your mind
On your mind on the day you watched me go down
Said I was left behind
Left behind in a race so follow me down
Am I the only one
The only one
Oh oh
I lay it on the line
On the line before it fades away
(Call me when you get home when you get home)

Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g
o on

And I know it's hard to let a love like this go
And I know it's hard to see the one you love go
And I know it's hard to let a love like this go
And I know it's hard to see the one you love go
Call me when you get home (when you get home)
Call me when you get home (when you get home)
Oh
I lay it on the line
(Get home when you get)

Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g
o on

Ooh ooh
Oh give me a sign
Oh
Or I'm gonna breakdown
Or I'm gonna breakdown
Or I'm gonna breakdown
Or I'm gonna break

Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g
o on
Call me when you get home when you get that feeling you don't wanna g

o on

Call me when you get home when you get that feeling you don't wanna g

o on

Ooh

Ooh
