

# Only Love

Meg Mac

Only love would take this long  
Only love would do me wrong  
Fill me up then drag me home  
Only love, only love

Well I try to close my eyes  
Keep myself safe from the light  
Only love would take my nights  
Only love, only love

Would I do it again  
Oh yes I'd do it again  
Is it worth all the noise  
Is it worth all the pain  
I would do it again  
Oh yes I'd do it again  
At the end of the day  
It'll hurt just the same

Only love  
Only love  
Only love  
Only love

I know love will take its toll  
That's how it feels when I'm alone  
In this hell that I have grown  
Only love, so give me love

Would I do it again  
Oh yes I'd do it again  
Is it worth all the noise  
Is it worth all the pain  
I would do it again  
Oh yes I'd do it again  
At the end of the day  
It'll hurt just the same

Only love  
Only love  
Only love  
Only love

What's it gonna take for me  
Get myself up and out  
What's it gonna take for me  
To leave this broken town  
What's it gonna take for me  
If I could turn this round  
I'd do it again, do it again  
I'd do it again

Only love  
Only love  
Only love  
Only love

(Would I do it again)  
Only love  
(Would I do it again)  
Only love  
(Would I do it again, do it again)  
Oh yes, I'd do it again  
It's only love  
Only love
