

Curbstomp

Meg Myers

I'm a sinner
I'm a liar
Want forgiveness
But I'm tired
I'm addicted to the fire
Let go, I'm ready for it
Let go, I'm ready

I'm a victim
I'm a coward
Try to wake up
Don't have the power
I'm a daughter in the choir
Let go, I'm ready for it
Let go, I'm ready

Oh Oh Oh Oh

I'm a shadow
I'm a creeper
Want forgiveness
Getting weaker
I'm addicted to the fever
Let go, I'm ready for it
Let go, I'm ready

I'm a danger
I'm a cipher
Try to wake up
No desire
I'm a daughter in the choir
Let go, I'm ready for it
Let go, I'm ready

Oh Oh Oh Oh

No no no eyes baby
No no no mind baby
No no no smile baby
No no no lies

Lay me down tonight
No lies
Lay me down tonight
Lay me down tonight
Lay me, lay me, lay me, lay me down tonight

Blood I want it
Giving up the fight
Blood I want it
Lay me down tonight
Blood i want it
Take me to the sky
Blood I want it
Everything's alright now
