

Bullprick

Megadeth

Pounding in my teeth
Hydraulics on the move
Kicking in my face
Savage bucking mule
Pummeling my soul
100 tons of lead
Trampled under foot
Steamrollers on my head
Crushing down, caving in my will to live
I'd rather be dead, scream insane
To have the bullprick split their guts
Make them pay make them bleed
On your backs, in your face
Down your throats, up your ass
Bullprick!
Pulverizing flesh, broken bones the aftermath
Can't escape the war, the war machine path
All become one, flattening the streets
Cry for absolution, splitting at the seams
Crushing down, caving in my will to live
I'd rather be dead, scream insane
To have the bullprick split their guts
Make them pay make them bleed
On your backs, in your face
Down your throats, up your ass
Bullprick!
On your backs, in your face
Down your throats, up your ass
Bullprick!
