

# Liar

Megadeth

You take great pride in never having lived up to anything  
Lie, steal, cheat and kill, a real bad guy  
Your Daddy is a wino and your Mommy is quite insane  
From alter boy to sewer rat, you don't give a damn  
Your Sister is a junkie, gets "it" any way she can  
Your Brother's a gay singer in a stud leather band  
Your girlfriend's got herpes to go with your hep and AIDS  
There ain't one person you know you ain't ripped off yet

Look deep in the mirror, look deep into its eyes  
Your face is replaced, a creature you despise  
I know what you're made of, it ain't much I'm afraid  
I know you'll be lying until you dying day

Make up your stories, truth's so hard to say  
Brain is numb and your tongue will surely dig your grave  
Your mind is sickly from Alzheimer's Disease  
And decadence and debauchery killed your memories

You're a liar, liar, liar, everyone can see  
You're a liar, liar, liar, it's all you'll ever be  
You're a liar, liar, liar, it's what you mean to me  
You're a liar, liar, lies

Start trouble, spread pain  
Piss and venom, in your veins  
Talk nasty, breathe fire  
Smell rotten, you're a liar  
Sweat liquor, breathe snot  
Eat garbage, spit blood  
Diseased, health hazard  
Scum bag, filthy bastard  
Greasy face, teeth decay  
Hair matted, drunk all day  
Abscessed, sunken veins  
Rot gut, scrambled brain  
Steal money, crash cars  
Rob jewelry, hock guitars  
Rot in hell, it's time you know  
To your master, off you go

You're a liar, a fucking liar  
Filthy liar, liar  
You fucking liar

Liar!
