

If You Want Perfection

Megan Hilty

I have a secret you would die for
I know a fix you won't believe
Here's your exclusive invitation
And once you're in, you'll never leave
Yes, I can sense you have immense potential
You just haven't found it yet
Don't be scared, don't abscond
Take my body as my bond
What you see is what you get

If you want perfection
Take a sip and drink it in
Kill your old complexion
Welcome to your brand new skin

Don't shield your eyes from all this beauty
My clients love it when you stare (Ooh-ooh-ooh)
Come take a look at every perfect limb (Ah-ah)
You'd never know that flaws once festered there (Ooh-ooh-ooh)
We reject the laws that time is bound by (Ooh-ooh-ooh)
I select the ones who I set free (Ah-ah)
They come to Viola Van Horn (Ah-ah)
Where beauty is reborn

If you want perfection

And who doesn't?
Take a sip and drink it in
Kill your old complexion
Welcome to your brand new skin

Wouldn't you just die to look so alive?
Perfection at your fingertips
The second that it hits your lips

A little touch of magic
In a world obsessed with science

For those who'll pay the price
What would you sacrifice for
Fame? (Take it)
Freedom? (Take it)
Sex? (Take it)
Money? (Take it)
Repentance? (Take it, Take it)
Retention? (Take it, Take it)
Acceptance (Take it, Take it)
Ascension? (Take it, Take it)
For power or potential?
For attention or revenge?

If you want perfection
Take a sip and drink it in
Kill your old complexion
Welcome to your brand new skin
