

Live To Serve

Megan Hilty

Tonight we serve!
Perfection in a cup
Drink it up
Tomorrow night
We serve
Flawless bods
For the gods
Every other night
We serve
And it's giving ever-living for eternity
We serve
Gorgeous, hot, adored
10s across the board

Serve to live
Live to serve
Get the body you deserve
Take a sip
Drink it in
Welcome to your brand new skin!

Welcome, our immortal friends
And make yourselves at home
Eternity is yours, so stay a while
You've all been gifted faces
That will never crease or crack
So darlings, please, don't be afraid to smile!

And for those of you who's public life has ended
We celebrate your day of death
To the world you may be gone
But in here, you still live on
Let every eye observe
Each and every perfect curve
Here's to one another!
And the grand immortal mother, who we serve!

Siempre Viva!
