

Safe And Sound

Megan Hilty

I remember tears streaming out your face
When I said I'll never let you go!
And all those shadows almost killed your light!
I remember you said, "don't leave me here alone!"
And all that's dead and gone and passed tonight!

Just closed my eyes, the sun is going down
You'll be alright, no one can hurt you now
The morning light, you and I will be safe and sound!

Don't you dare look out your window,
Darling everything's alright!
The war outside, a door keeps ranging on
Hold on to this lullaby
Even when the music's gone, gone!

Just closed my eyes, the sun is going down
You'll be alright, no one can hurt you now
The morning light, you and I will be safe and sound!
Uh, uh, uh, uh
