

# Love You Like Me

Megan & Liz

Just like a beautiful mess, with a little bit of crazy  
A little bit of laying around all weekend being lazy  
Just like the hook of a song or the ending of a movie  
I don't know how you did what you did, but you just knew me

'Cause who I am is how I wanna love

Forget everybody else and everything they say  
They take each others' hearts and play 'em like a game  
Forget everything you've ever learned from love songs  
They're all wrong, they're all wrong  
I'm gonna love you like me  
I wouldn't change a thing  
I'm gonna love you like me

I know you hate the way you laugh, but boy, I know nothing sweeter  
And I like your hair, so don't even think of changing that either  
Let's not make us what we're not, yeah, we gotta keep it easy  
Because it's better when you're you and I'm just me

'Cause who I am is how I wanna love

Forget everybody else and everything they say  
They take each others' hearts and play 'em like a game  
Forget everything you've ever learned from love songs  
They're all wrong, they're all wrong  
I'm gonna love you like me  
Yeah, I wouldn't change a thing  
I'm gonna love you like me

I'm gonna love you like me

It's so good, you know me well  
Don't you ever let me change myself

Forget everybody else and everything they say  
They take each others' hearts and play 'em like a game  
Forget everything you've ever learned from love songs  
They're all wrong, they're all wrong  
I'm gonna love you like me  
I wouldn't change a thing  
I'm gonna love you like me

Forget everybody else and everything they say  
They take each others' hearts and play 'em like a game  
Forget everything you've ever learned from love songs  
They're all wrong, they're all wrong  
I'm gonna love you like me  
I wouldn't change a thing  
I'm gonna love you like me

I'm gonna love you like me  
I'm gonna love you like me  
I'm gonna love you like me
