

Narcissist

Megan & Liz

Narcissist you won't be missed
I'm better off, I'm free of it
Never thought that I'd find closure quickly as I did

You blame the alcohol
Swear that it meant nothing at all
Am I supposed to act I don't know better?
But I know better

I hope the time you kept it from me hurt like hell
Know that you didn't like her much as you like yourself
Oh well
Oh well
Ain't a kiss that doesn't tell

Narcissist you won't be missed
I'm better off, I'm free of it
Never thought that I'd find closure quickly as I did
Ah, you narcissist
You narcissist
Yeah, yeah
Ah, holy shit I'm over it

Thought that this would pass by like woo
But now everybody's talkin' bout you
And what you do
Really didn't think this through did you?

I bet all this gossip's gonna hurt like hell
Clear you didn't love me much as you love yourself
Oh well
Oh well
Ain't a kiss that doesn't tell

Narcissist you won't be missed
I'm better off, I'm free of it
Never thought that I'd find closure quickly as I did
Ah, you narcissist
You narcissist
Yeah, yeah
Ah, holy shit I'm over it

Narcissist you won't be missed
I'm better off
I'm free of it

Holy shit I'm over it
