

Single

Megan McKenna

Star shaped sleeping bed to myself
I don't wanna share with nobody else
Just me
Just me
Playing Dolly way too loud
She took the words right out of my mouth
Jolene
Jolene

Oh, I can't believe the way I'm feeling
Loneliness has lost it's meaning
Oh, only I can truly please me
Loving me is coming easy

Phoenix from the flame
Been burning up my shame
Single ain't a word that hurts me
I, I am in control
What I touch turns into gold
It's my body I know how to work it

Better hold on tight, I'm a rocket after midnight
It's about time that I kick you out of bed right
N to the O I don't need you for a good ride
Click my ruby heels and go

So, you can't make me stay
I'm better off this way
Cos single ain't a word that hurts me

The only therapy I need
Is slipping on an LBD
Real tight
Just right
My reflection looking so good
If she asked me - yes, I would
Damn right
Damn right

Oh, I can't believe the way I'm feeling
Loneliness has lost it's meaning
Oh, only I can truly please me
Loving me is coming easy

Phoenix from the flame
Been burning up my shame
Single ain't a word that hurts me
I, I am in control
What I touch turns into gold
It's my body I know how to work it

Better hold on tight, I'm a rocket after midnight
It's about time that I kick you out of bed right
N to the O I don't need you for a good ride
Click my ruby heels and go

So, you can't make me stay

I'm better off this way
Cos single ain't a word that hurts me

Na na na...
Single ain't a word that hurts me
Na na na...
Single ain't a word that hurts me
