

Fun

Megan Nicole

Oh-oh-h, we're just playing
We ain't misbehaving,
We're just tryin' to have a little fun
Oh-oh-oh, celebrating,
Keep your body shaking,
We ain't gonna stop till we done

Grab my heels and found my keys,
Running out the door
Fix my make up in the car
Who knows what's in store?
Driving through the city lights,
Looking for my crowd
Windows down, I shout it out
Turn the beat up loud

Gonna live my life, (oh-oh)
Doing what feels right (oh-oh)
Give me that green light (oh-oh)
'Cause tonight, yeah tonight, yeah tonight

Oh-oh-h, we're just playing
We ain't misbehaving,
We're just tryin' to have a little fun
Oh-oh-oh, celebrating,
Keep your body shaking,
We ain't gonna stop till we done
Have a little fun

Hands up, say yeah, little fun
Hands up, say yeah, little fun
Hands up, say yeah, singing "Hey yeah! Hey yeah!"
Hands up, say yeah, little fun
Hands up, say yeah, little fun
Hands up, say yeah, just a little fun

Got no time for attitude,
Haters stay away
Keep it crazy, keep it cool,
L-O-V-E in LA
Everywhere around the world the party never stop
'Cause anything is possible when the music drops

Gonna live my life, (oh-oh)
Doing what feels right (oh-oh)
Give me that green light (oh-oh)
'Cause tonight, yeah tonight, yeah tonight

Oh-oh-h, we're just playing
We ain't misbehaving,
We're just tryin' to have a little fun
Oh-oh-oh, celebrating,
Keep the party shaking,
We ain't gonna stop till we done
Have a little fun

Hands up, say yeah, little fun

Hands up, say yeah, little fun
Hands up, say yeah, singing "Hey yeah! Hey yeah!"
Hands up, say yeah, little fun
Hands up, say yeah, little fun
Hands up, say yeah, singing "Hey yeah, whoo"

Oh-oh-h, we're just playing
We ain't misbehaving, (no)
We're just tryin' to have a little fun (a little fun)
Oh-oh-oh, celebrating,
Keep the party shaking,
We ain't gonna stop till we done
Have a little fun

Hands up, say yeah, little fun
Hands up, say yeah, little fun
Hands up, say yeah, singing "Hey yeah! Hey yeah! Whoo"
Hands up, say yeah, little fun
Hands up, say yeah, little fun
Hands up, say yeah, just a little fun
