

# Crying in the Car

Megan Thee Stallion

Money to make and we all gon' spend it  
Takin' care of my team, they wit' me  
Can't complain, can't do no trippin'  
Sayin' a prayer and I know he hear me  
People keep sayin' I should be the bigger person  
Who's gonna worry 'bout me when I'm hurtin'?  
Got one more time, keep talkin' that shit  
And I'ma wild out and go hard on a bitch  
I been stayin' up all night  
My niggas in the street, I'm makin' sure they're alright  
And if I tell 'em it's a issue, then it's on sight  
I'm on point, let me show you what that aim like

Shit ain't the same and you say I'm changin'  
But I really think it's you  
Mad at me 'cause I'm elevatin'  
But what you wanted me to do?

Please don't give up on me, Lord, Lord  
Promise to keep goin' hard, hard  
All of them nights that I cried in the car  
All them tears turned into ice on my arms  
Please don't give up on me, Lord, Lord  
Promise to keep goin' hard, hard  
All of them nights that I cried in the car  
All them tears turned into ice on my arms

And that's why I keep goin' harder  
And harder (Ayy)  
And that's why I keep goin' harder  
And harder (Ayy)

Nigga, why you wanna play with me?  
And why your girl look like she got somethin' to say to me?  
He a snake and you layin' in the snake pit  
'Cause he the type of nigga fuck a bitch I'm cool with  
I don't want to talk and I barely wanna listen  
Niggas playin' tag and they all tryna get me  
Gotta stay focused, gotta stay winnin'  
Young bitch just tryna make these millions  
You know ya really motivatin' me  
I'm really happy that you mothafuckas hate me  
All them hoes get quiet when I walk in  
They don't bother me, I know them bitches ain't shit

Shit ain't the same and you say I'm changin'  
But I really think it's you  
Mad at me 'cause I'm elevatin'  
But what you wanted me to do?

Please don't give up on me, Lord, Lord  
Promise to keep goin' hard, hard  
All of them nights that I cried in the car  
All them tears turned into ice on my arms  
Please don't give up on me, Lord, Lord  
Promise to keep goin' hard, hard  
All of them nights that I cried in the car

All them tears turned into ice on my arms

And that's why I keep goin' harder

And harder (Ayy)

And that's why I keep goin' harder

And harder (Ayy)

And that's why I keep goin' harder

And harder (Ayy)

And that's why I keep goin' harder

And harder (Ayy)
