

Every Dog

Meghan Patrick

Big brown eyes
Made me fall in love
Took you home and I woke up
With fleas
You don't bark and you don't bite
'Til the mess you made starts a junkyard fight
And you turn mean
And now I see

You over there across the bar
Best in show hanging off your arm
Ain't a damn to give on my face
'Cause you know what they say

Every dog has its day
To lay out in the sun
You found a pretty little heart to play with
Right now you think you've won
Brand new girl, same old hound
Won't be long 'til she finds out
That love's a trick you can't be taught
And like me, she'll run off
Honey, just you wait
Karma's gonna get her way
Yeah, every dog is gonna get his day

We both know
You are who you are
You're gonna bury your bone in someone else's yard
She'll be done with you
You'll be howling up at the moon
She's a lady and you're a tramp
So get it while you can

Every dog has its day
To lay out in the sun
You found a pretty little heart to play with
Right now you think you've won
Brand new girl, same old hound
Won't be long 'til she finds out
That love's a trick you can't be taught
And like me, she'll run off
Honey, just you wait
Karma's gonna get her way
Yeah, every dog is gonna get his day
(Oh woohoo, oh woohoo)

Every dog has its day
To lay out in the sun
You found a pretty little heart to play with
Right now you think you've won
Brand new girl, same old hound
Won't be long 'til she finds out
That love's a trick you can't be taught
And like me, she'll run off
Honey, just you wait
Karma's gonna get her way

Yeah, every dog is gonna get his day

Every dog
Gonna get his day
