

Things I Shouldn't Say

Meghan Patrick

Buy me a shot
Lay your best pickup line on me
Like you just laid your eyes on me
Like you don't know what it's like to hold me
I'll whisper real low
I've never done nothing like this before
I think I'm gonna let you take me home
So baby, take me home

I just want your hands on me
I don't want you to let me sleep
So put me up against the wall, against that wall
Like you ain't afraid
To love me so hard, baby
Right here in the hallway, yeah
Just wanna do all the things, all the things I shouldn't say

If you could read my mind
You'd know I want you all the time
Boy, I'm talking every night
But it's too soon to feel this right
But I kinda don't care
I kinda like your hands in my hair
I kinda wanna lock this down
But for now

I just want your hands on me
I don't want you to let me sleep
So put me up against the wall, against that wall
Like you ain't afraid
To love me so hard, baby
Right here in the hallway, yeah
Just wanna do all the things, all the things I shouldn't say

Boy, you know my sweet side
My mama raised me right side
But tonight yeah tonight

I just want your hands on me
I don't want you to let me sleep
So put me up against the wall, against that wall
Like you ain't afraid
To love me so hard, baby
Right here in the hallway, yeah
Just wanna do all the things, all the things I shouldn't say
Oh, all the things I shouldn't say
All the things I shouldn't say
