

Why Couldn't I Cry

Meghan Patrick

I should be flat on the floor
Drowning you out in a bottle of whiskey
Wondering where you are now
Whatcha doin' and if you even miss me
Yeah you told me I'd be kicking myself
And I'd be living in a heartbroke hell

Maybe my heart knew something I don't
And maybe it always knew you needed to go
'Cause the sky ain't falling
And I ain't crawling back
You told me I would never get over you
And no one would ever love me like you do
So if losing you was gonna be the biggest mistake of my life
Then tell me why
Why couldn't I cry

Yeah, I woke up alone in our bed
And it didn't feel lonely
Guess I've cried so many tears over you
I ain't got nothing left in me
Now I'm wondering why it took so long
When it feels this good moving on

Maybe my heart knew something I don't
And maybe it always knew you needed to go
'Cause the sky ain't falling
And I ain't crawling back
You told me I would never get over you
And no one would ever love me like you do
So if losing you was gonna be the biggest mistake of my life
Then tell me why
Why couldn't I cry

Why couldn't I cry
If I just lost the best I ever had
Yeah you'd think I'd be a little more sad

Maybe my heart knew something I don't
And maybe it always knew you needed to go
'Cause the sky ain't falling
And I ain't crawling back
You told me I would never get over you
And no one would ever love me like you do
So if losing you was gonna be the biggest mistake of my life
Then tell me why
Why couldn't I cry
Why couldn't I cry
