

Another Opinion

Meghan Trainor

I don't care about what you think of me
Got too much on my mind to hear you speak
I don't need to hear what's on your mind
Don't waste your breath
If you don't like me it's not my fault
At all, just another opinion

I don't even notice you
How am I upsetting you?
No one wants your point of view
I can't hear you, can't hear you at all
Lemme hear you say

Why you mad, are you bored, tryna mess with me?
You don't know me, how you think you know what's best for me?
Probably hate me 'cause you love me, you obsessed with me
If you don't like me it's not my fault
No, not at all
Just another opinion
