

# Bite Me

Meghan Trainor

Come on and bite me, b-b-baby  
Ooh, what a treat  
Come on and bite me, b-b-baby  
Ooh, super sweet  
Darling, you know you could get a piece  
Long as you be good to me  
Boy, stop tryin' to fight me  
Baby, you could bite me

Baby, why you angry?  
Don't know what made you mad  
Maybe you're just hungry  
You're lucky I'm a snack  
Come and get all of this good, good  
I'm servin' all of my sugar for you

So why won't you  
Give it up, give it up  
And I'll give you love, give you love  
It's so cute when you think you're so tough (Bite me)

So come and get all of this good, good  
'Cause I'm savin' all of my sugar for you
