

# Fighting Gravity

Meghan Trainor

Hey yeah, no

You used to hold me too tight (Woah)  
It was love at first sight (Woah)  
But once we said our goodbyes (Woah)  
I tried to find a new guy

The first one took me out and made me pay  
Sorry, but that's not okay  
No one does it quite like you  
Woah, like you do

But tryna stay away is like fighting gravity  
And I'm not sure you know what your love does to me  
And when I'm where I should be, you knock me off my feet  
I'll try to stay away, eh aye  
But it's like fighting gravity (Eh eh eh eh eh eh eh aye)  
It's like fighting gravity (Eh eh eh eh eh eh eh aye, yeah)

(Aye!)

We were cute as can be (Woah)  
And everybody could see (Woah)  
But since you kissed me goodbye (Woah)  
I had to find a new guy (Hey!)

The next one held my hand and opened doors  
Frankly I was way too bored  
'Cuz no one makes me laugh like you (Woah)  
Like you do

But tryna stay away is like fighting gravity  
And I'm not sure you know what your love does to me  
And when I'm where I should be, you knock me off my feet  
I'll try to stay away, eh aye  
But it's like fighting gravity (Eh eh eh eh eh eh eh aye)  
It's like fighting gravity (Eh eh eh eh eh eh eh aye, yeah)

(Hey!)

Yo, I'm tryna turn my life around  
But every time I get up, you bring me down  
'Cuz I remember every memory I have with you  
But it was just a dream, nah, not coming true  
And yes, I dated, yup yup I dated  
And they were cute and all  
But I couldn't fake it  
In comparison, none could compete with you  
And what am I to do? (Hey!)

But tryna stay away is like fighting gravity  
And I'm not sure you know what your love does to me (Love does to me)  
And when I'm where I should be, you knock me off my feet  
I'll try to stay away, eh aye  
But it's like fighting gravity (Eh eh eh eh eh eh eh aye)  
It's like fighting gravity (Eh eh eh eh eh eh eh aye, yeah)  
But it's like fighting gravity (Eh eh eh eh eh eh eh aye)  
It's like fighting gravity (Eh eh eh eh eh eh eh aye, yeah)
