

Hate It Here

Meghan Trainor

Yeah

Yes. I hate it here

I've been tryna go

And I can tell you know

Come on and take me home

(Wanna leave, wanna leave, wanna leave, wanna leave)

'Cause baby, I'm upset (I'm upset)

Get me out this dress (Out this dress)

Want you to take me home

Yes. I hate it here

Goodbye (Goodbye, goodbye, goodbye)

'Cause I'm about to lose my mind (My mind, my mind, my mind)

And I know it ain't just me tonight (Tonight, tonight, tonight)

Get loud if you wanna disappear

Say "Yes. I hate it here."

I hate it

I, I hate it here

I, I hate it (I hate it)

Yes. I hate it here

I hate it (Hate it)

I, I hate it here

I, I hate it (I hate it)

Won't you rather be at home with me? (Yeah)

Get naked under the sheets (Yeah)

Baby, that's where I'm tryna be

(Wanna leave, wanna leave, wanna leave, wanna leave)

Call me your little dancing queen (Yeah)

Get together, just you and me

Baby, don't you wanna leave?

(Wanna leave, wanna leave, wanna leave, wanna leave)

Goodbye (Goodbye, goodbye)
