

# I Don't Do Maybe

Meghan Trainor

Why you keep callin' me?  
Why you blowin' up my phone?  
Straight up you buggin' me  
Why won't you leave my ass alone?  
You refuse to quit (uh huh)  
Can't seem to commit (uh huh)  
So sick of your shit

And, I get that you want me bad  
You ain't gotta explain all that (I know, I know)  
Something that you never had  
So good it makes you mad (I know, I know)  
You refuse to quit (uh huh)  
Can't seem to commit (uh huh)  
So sick of your shit

My time is precious, don't waste it

I don't do maybe  
Don't love me just to lead me on  
I don't do maybe  
If I ain't the one, then bitch I'm gone, I'm gone, I'm gone  
So long, so long, so long

I don't do maybe  
Don't love me just to lead me on  
Make me your baby  
If I ain't the one, then bitch I'm gone, I'm gone, I'm gone  
So long, so long, so long

Watch how you talk to me  
I see you lyin' through your teeth  
'Cause when you're under me  
Don't make a promise you can't keep  
You refuse to quit (uh huh)  
Can't seem to commit (uh huh)  
So sick of your shit

And, I get that you want me bad  
You ain't gotta explain all that (I know, I know)  
Something that you never had  
So good it makes you mad (I know, I know)  
You refuse to quit  
Can't seem to commit  
So sick of your shit  
My time is precious, don't waste it

I don't do maybe  
Don't love me just to lead me on  
Make me your baby  
If I ain't the one, then bitch I'm gone, I'm gone, I'm gone  
So long, so long, so long

I don't do maybe  
Don't love me just to lead me on  
Make me your baby  
If I ain't the one, then bitch I'm gone, I'm gone, I'm gone

So long, so long, so long

I don't do maybe

I don't do maybe

I don't do maybe

Make me your baby

I don't do maybe
