

## Last Time

Meghan Trainor

Here I go now, I'm on my way  
It's a brand new day  
Brand new day  
I'm two steps forward  
Not looking back  
See I'm done with that  
So done with that

And it's so hard to leave you behind

And this is the last time that I hold ya  
Yeah, I told ya, I'd be gone  
And this is the moment to remember  
So love me tender  
Right or wrong, hold me till I'm gone

My bags are packed and I'm out the door  
But I need one kiss, I just need one more  
And my train is leaving at a quarter till 2  
But all my memories are gonna stay with you

And it's so hard to leave you behind

And this is the last time that I hold ya  
Yeah, I told ya, I'd be gone  
And this is the moment to remember  
So love me tender  
Right or wrong, hold me till I'm gone  
Mmm, hold me till I'm gone

Mmm, and my mind is gone  
Got me feeling so wrong  
I don't know that I'll be coming back  
But when you say my name  
My heart knows you're to blame, oh  
And this is the last time that I hold ya  
Yeah, I told ya, I'd be gone

This is the last time that I hold ya  
Yeah, I told ya, I'd be gone  
And this is the moment to remember  
Love me tender  
Right or wrong, hold me till I'm gone  
This is the last time that I hold ya  
Yeah, I told ya, I'd be gone  
This is the moment to remember  
Love me tender  
Right or wrong, hold me till I'm gone
