

Love Me More

Meghan Trainor

When you love like a mother
Love like a father
Love me love love me more
Ye you talk like leader
Walk like a follower
Baby you should love me
Love love love me more

You sweet sweeter than most
But that's all that I can saying
Ye I'm sure you love me so
But I don't know what fucking saying,
Back I was young like a jar
And I was too too fast falls
Now you are hoping
That I say you back

When you love like a mother
Love like a father
Love me love love me more
Ye you talk like leader
Walk like a follower
Baby you should love me
Love me love me more

Like my dad you say I'm the best
But I don't really wanna hear that
At times ye you can be cute, cute
But no cuter than my little bro
And you. You gotta go cause
I can deal with a boy
You doesn't even know I ever
You don't understand just what I mean,
When all I'm trying to say is you

Love like a mother
Love like a father
Love me love love me
Love me love me more
You talk like leader
Walk like a follower
Baby you should love me
Love love love me more

Love me more, yea
Love me better
Can you show me
That your love will last forever
That your love will last forever
That your love will last forever
That your love will last forever

Love like a mother
Love like a father
Love me love love me
Now love love me more
Talk like leader

Walk like a follower
Baby you should love me
Love love love me more

Love like a mother
Love like a father
Love me love love me
So love me love me more
Talk like leader
And walk like a follower
Baby you should love me
Love love love me more
