

Miracle

Meghan Trainor

Hey yeah
Sometimes I wonder why
What did I do right?
How did I end up with you? Mmm
And when we talk all night
Yeah, that's what I like
There's nothing I'd rather do

There's some kind of light shining down on me
And I don't know why, but I can't see

It's a miracle you're mine
It's a miracle you're mine
Boy it's everything you do, who you are
Love like this is hard to find
Aye-aye, it's a miracle you're mine

The way you smile is like a million candle lights
You're all that I ever want to see, huh
Whenever there's a storm, you keep me safe and warm
You're like an angel to me

There's some kind of light shining down on me
And I don't know why, but I can't see

It's a miracle you're mine
It's a miracle you're mine
Boy it's everything you do, who you are
Love like this is hard to find
Aye-aye, it's a miracle you're mine

And I can't help it
No I can't help it
I'm so in love
'Cause you got that something
That heavenly touch
And I need it, I need it so much

It's a miracle you're mine
Oh it's a miracle you're mine hey-aye-yeah
Boy it's everything you do, who you are
Love like this is hard to find
Hey it's a miracle you're mine

Mmm-hmm it's a miracle you're mine
It's a miracle you're mine
