Reckless

Meghan Trainor

I'm spinning out, feet off the ground, no one can stop this now
Why such a fuss? I'm curious what this boy is all about
I've been overtaken by mistake
My heart is racing can't explain it
Hey runaway train come take me away, yeah

And we gon' be hiding from the cop cars
Stole our parents liquor
Skinny dipping all night underneath the moonlight
I'm just a good girl, I've never done this shit before

Maybe I'm reckless, reckless
'Cause you're no good for me
Baby I'm reckless, defenseless
But I'm not listening
'Cause we're gon' be sleepless in Seattle
Careless in LA
We gon' party in Nevada
So go 'head let 'em say
We're reckless, reckless
And we're not listening, no

R-Rebels for life
Bonnie and Clyde
No one can stop us now
We break and we bend
We'll do it again
When it's quiet we scream so loud
I've been overtaken by mistake
My heart is racing can't explain it
Let's hop on a plane, come take me away, yeah

And we gon' be hiding from the cop cars
Stole our parents liquor
Skinny dipping all night underneath the moonlight
I'm just a good girl, I've never done this shit before

Maybe I'm reckless, reckless
'Cause you're no good for me
Baby I'm reckless, defenseless
But I'm not listening
'Cause we're gon' be sleepless in Seattle
Careless in LA
We gon' party in Nevada
So go 'head let 'em say
We're reckless, reckless
And we're not listening, no

Sleepless in Seattle
Careless in LA
We gon' party in Nevada
Go 'head let 'em say I'm…
Go 'head let 'em say I'm reckless (Sleepless in Seattle)
Oh I'm reckless (Careless in LA)
Uh, I'm just a good girl, I've never done this shit before

Maybe I'm reckless, reckless (Reckless, oh)

'Cause you're no good for me
Baby I'm reckless, defenseless
But I'm not listening (I'm not listening no)
Cause we're gon' be sleepless in Seattle
Careless in LA
We gon' party in Nevada
So go 'head let 'em say
We're reckless, reckless (Reckless)
And we're not listening, no (And we're not listening, no)
Oh
Oh (I'm reckless)
Oh (No)
Oh (Sleepless in Seattle)
Oh (Careless in LA)
Oh (We're reckless, we're reckless oh)
Oh
