

Touchdown Dance

Meghan Trainor

He told me he loves me
Took me to my favorite restaurant
Just like in the movies
He told me, "It's you. The one I want."
I broke with every word and tried to catch my breath
I stuttered through the tears just tryna say it back
He told me he loves me
So, I'm gonna celebrate this win
And do my touchdown dance

From now on, I don't care who's watching me
(I'll do my touchdown dance)
I feel like number one
Yeah, I won the greatest victory
So, I'll do my touchdown dance

Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a
Do, do my touchdown dance
Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a
Do, do my touchdown dance

I told him I loved him
And said all the ways he changed my life
He likes how I shake it
He said I'm Beyoncé in his eyes
And I wanna tell the world just what he means to me
I'll drop it low, show him that he's all I need
I told him I loved him
So, I'm gonna celebrate this win
And do my touchdown dance

From now on, I don't care who's watching me
(I'll do my touchdown dance)
I feel like number one
Yeah, I won the greatest victory
So, I'll do my touchdown dance

Get up for love, I'm 'a
Break it down for love, I'm 'a (Break it down)
Shake it for love, I'm 'a
I'll my touchdown dance
Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a
Do, do my touchdown dance

Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a (Shake, shake)
Do, do my touchdown dance
Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a

Do, do my touchdown dance

Whoa, slow it down for a minute
I'm running out of breath when I'm only tryna spit it
Gotta tell you about how I'm number one
Yup yup, I feel like number one
'Cause ain't nobody got a love like this (Like this)
He got a Hercules kind of kiss
I won the whole damn game with every single play
One chance, but now I do my touchdown dance, hey

From now on, I don't care who's watching me
(I don't care, I'll do my touchdown dance)
I feel like number one
Yeah, I won the greatest victory
So, I'll do my touchdown dance

Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a
Do, do my touchdown dance
Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a (Hey, hey)
Do, do my touchdown dance

Get up for love, I'm 'a (Baby, baby)
Break it down for love, I'm 'a
Shake it for love, I'm 'a
Do, do my touchdown dance (My touchdown dance)
Get up for love, I'm 'a
Break it down for love, I'm 'a
Shake it for love, I'm 'a
Do, do my touchdown dance
