

Winter Wonderland

Meghan Trainor

Sleigh bells ring, are you listening?
In the lane, snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is the new bird
To sing a love song as we stroll along
Walking in a winter wonderland (Ah)

And in the meadow, we can build a snowman (Snowman)
We'll pretend that he is Parson Brown (Parson Brown)
He'll say, "Are you married?" We'll say, "No, man"
But you can do the job when you're in town (Town)

And later on (Later on), we'll conspire (Ooh)
As we dream (As we dream) by the fire (Ooh)
To face unafraid the plans that we've made
Walking in a winter wonderland (Ooh)

Hmm
Oh, oh
Walking in a winter wonderland

And in the meadow, we can build a snowman (Snowman)
We'll pretend that he is Parson Brown (Parson Brown)
He'll say, "Are you married?" We'll say, "No, man"
But you can do the job when you're in town (Town)

And later on (Later on), we'll conspire (Ooh)
As we dream (As we dream) by the fire (Ooh)
To face unafraid the plans that we've made
We're walking in a winter wonderland (Ooh)

We be walking in a winter wonderland
We be walking in a winter wonderland
