

Urban Scream

Mehida

I cry aloud
Cause I feel so lonely
I'm a stranger on earth
My soul is consumed with longing
To whom can I trust?
Where could I find my comfort
I'm so afraid
Alone in the sea of sadness

Will you walk with me?
When I feel so lonely here
Will you care for me?
When I hit my lowest freak
Will you walk away?
When I have nothing left to say
Just will it be okay?
