

I'm OK

Meiko

I know you don't even know me
Take the truth and talk it away
This is your chance to come to me slowly
I will stay and I won't be afraid
I will stay and I won't be afraid

I'm OK, yeah
I'll be just fine
I'm OK, yeah
I'll be just fine

Where have you been and why are you hiding
I've got nothing to show you but something to say
I have nothing to show you but something to say

I'm OK, yeah
I'll be just fine
I'm OK, yeah
I'll be just fine

There is a path you choose to follow
Won't regret tomorrow
But I'm sure you think about it every day
And it gets cold inside this room
You've left me oh so hollow
Nothing ever stays the same

But I'm OK, yeah
I'll be just fine
I'm OK, yeah
I'll be just fine
I'm OK, yeah
I'll be just fine
I'm OK, yeah
I'll be just fine
