

## King For A Day

Meiko

How can I get outta here  
What more can I do?  
Now there's nothing left to fear  
And nothing left to prove

I know it's the best you could do  
Nothing to gain and nothing to lose

And now you have no one to blame  
Everything's the same as before  
Another door, another floor  
You give, give it all away  
Just to be a king for a day  
I'm not afraid, I'm not afraid

Where did all the people go  
And why'd they go away  
This I'll probably never know  
And this ain't never safe

But I know it's the best you could do  
Nothing to gain and nothing to lose

And now you have no one to blame  
Everything's the same as before  
Another door, another floor  
You give, give it all away  
Just to be a king for a day  
I'm not afraid, I'm not afraid

You're alone and waiting  
You're so alone and waiting  
You're so alone  
You're so alone  
So alone

And now you have no one to blame  
Everything's the same as before  
Another door, another floor  
You give, give it all away  
Just to be a king for a day  
I'm not afraid, I'm not afraid  
No I'm not afraid  
I'm not afraid, I'm not afraid
