

Lose Control

Meiko

Working everyday's got me feelin' kind of crazy
I can't find my way and the days seem to phase me
People saying everybody else got lazy
Turn the TV off, shake a hand, kiss a baby

All I gotta do is lose control
Take a deep breath and let it go
Cause all I am now is a fish and bowl
1, 2, 3, 4 lose control
Lose control

Take time find the rhyme
Keep your head up to the sky
Try to live a sweet life
Bake your neighbor an apple pie
Everybody's talkin' 'bout a new revolution
Evaluate your mind and the signs of delusion

All I gotta do is lose control
Take a deep breath and let it go
Cause all I am now is a fish in a bowl
1, 2, 3, 4 lose control

All I gotta do is lose control
Take a deep breath and let it go
Cause all I am now is a fish in a bowl
1, 2, 3, 4 lose control
Lose control
