

Name That Tune

Meiko

I guess it's another year
But this time I won't cry a tear
Cause people come and oh, they go
Talking fast and moving slow

And I can hear you singing in the back of the room
But I could never name that tune
I can hear your footsteps walking down my hall
But I don't think it's you at all

Figuring out just who I am
Heard it all and I wrote it down
And oh, I started to believe
But nobody knows me more than me

And I can hear you singing in the back of the room
But I could never name that tune
And I can hear your footsteps walking down my hall
But I don't think it's you at all

And you know
That I can't let go
And I try, I try to get by
You know
That I can't let go
And I try, I try to get by

And I can hear you singing in the back of the room
But I could never name that tune
And I can hear your footsteps walking down my hall
But I don't think it's you at all
