

Save Me Now

Meiko

I know
You're not coming home tonight
But I keep listening for the door
And I don't have a reason to turn out the light
So I'll keep laying here
Thinking bout before

It's true...
I could never leave you
I can't believe...
That you would leave me

I know
I'll never see you again
You've gone and got a better place to be
Little things that never mattered then
Oh yeah, now they mean the world to me

It's true...
I could never leave you
I can't believe...
That you would leave me

Can anybody hear me now?
Is anybody listening?
Can anybody save me now?
From all I never wanted to see

Da da da da da da da da da
Da da da da da da
Da da da da da da da da da
Da da da da da da

It's true...
I could never leave you
I can't believe...
That you would leave me

Can anybody hear me now?
Is anybody listening?
Can anybody save me now?
From all I never wanted to be

Da da da da da da da da da
Da da da da da da
Da da da da da da da da da
Da da da da da da
Da da da da da da da da da
Da da da da da da
