

# Sittin' Here

Meiko

I'm sittin' here  
Waiting for my next beer  
Waiting for the next year  
La da da  
The night is young  
But it's getting older  
And it's getting colder in here  
Ooh don't you see me passion  
Ooh I got five dollars waiting and  
Ooh oh you seem to be taking your time

I'm sittin' here  
Waiting for the next train  
Waiting my life away  
La da da  
And I am young  
But I'm getting older  
And I'm getting colder out here  
Ooh don't you see me passion  
Ooh I got \$1.25 waiting and  
Ooh oh you seem to be taking your time

I'm over it  
I've been wasting minutes  
Every hour, every day  
I'm second guessing all my sanity  
I'm over it  
I've been wasting minutes  
Every hour, every day  
I'm second guessing all my sanity

Don't you see me passion  
Ooh I'm always waiting for  
Ooh don't you see me passion  
But ooh I'm always waiting for love

I'm over it  
I've been wasting minutes  
Every hour, every day  
I'm second guessing all my sanity  
I'm over it  
I've been wasting minutes  
Every hour, every day  
I'm second guessing all my sanity
