

# Sweeter

Meiko

Once upon a time  
It was good  
He was mine  
Everything was going just fine  
Then you came along  
Everything, it went wrong  
And nothing seemed to fit right

He's yours now  
Lost and found  
Leave this town  
And give him back to me 'cause I am  
Sweeter than you'll ever be  
Give him back to me 'cause I am  
Sweeter than you'll ever be

Sure you're kinda hot  
But it's all that you got  
You will never be the jackpot  
And yeah he likes to play  
He'll be back someday  
'Cause he knows you're just a coin slot

He's yours now  
Lost and found  
Leave this town  
And give him back to me 'cause I am  
Sweeter than you'll ever be  
Give him back to me 'cause I am  
Sweeter than you'll ever be

Give him back to me 'cause I am  
Sweeter than you'll ever be  
Give him back to me 'cause I am  
Sweeter than you'll ever be  
Give him back to me 'cause I am  
Sweeter than you'll ever be  
Give him back to me 'cause I am  
Sweeter than you'll ever be  
Once upon a time  
It was good  
He was mine  
Everything was going just fine
