

# The Cloud Song

Meiko

I'm in my cloud  
No one can stop me  
I'm higher than the tops of the trees  
I am higher than the bird and the bees  
Totally comfortable  
Everything's beautiful  
I'm fine and I don't worry anymore  
This time I'm locked out of them before

[Chorus:]  
Hey-ey-ey  
I'm okay-ay-ay  
If I stay-ay-ay  
Way up here

I'm in my cloud  
I can feel the sunshine  
It's hotter here and I don't mind  
I've got myself and my piece of mind  
I'm totally comfortable  
Everything's beautiful  
I'm fine and I don't worry anymore  
This time I'm locked out of them before

[Chorus:]  
Hey-ey-ey  
I'm okay-ay-ay  
If I stay-ay-ay  
Way up here

Du du du du du du [x4]

I need this room to breathe  
I promise I will come down soon  
I promise I will come down soon

Du du du du du du [x8]

I'm in my cloud  
No one can stop me  
I'm higher than the tops of the trees  
I am higher than the bird and the bees
