We All Fall Down

Meiko

I know that you need me
I'll be there this evening
I will being you flowers
We can talk for hours
Anything to make your mind take a breather
I would never leave here
Knowing that you need a friend
Hey, hey, hey we all fall down sometimes
Hey, Hey, Hey we all fall down
Life has a way of throwing us a challenge
I know everyone and then you deserve to win
And the outcome may not be the right one
But it can't be undone and I know where you're coming from
Hey, hey, hey we all fall down sometimes
Hey, Hey, Hey we all fall down
With a little space and a little try
It won't be erased but you'l be fine
Take the things you hate and throw them all away
There's more to this in life
Hey, hey, hey we all fall down sometimes
Hey, Hey, Hey we all fall down
Hold your breath and wish for something better
Hold your breath and wish for something better
Hey, hey, hey we all fall down sometimes
Hey, Hey, Hey we all fall down
