

Skies so vast as the sky  
With faraway clouds just wondering by  
Where do they go? Oh I don't know, don't know

Oh Dindi, if I only had words I would say  
All the beautiful things that I see, when you're with me  
Oh my Dindi  
Oh Dindi, like the song of the wind in the trees  
That's how my heart is singing Dindi, Happy Dindi  
When you're with me

I love you more each day, Yes I do, Yes I do  
I'd like to go away If you take me with you

[2x:]  
Don't you know, Dindi  
I'll be running and searching for you  
Like a river that can't find the sea  
That would be me without you my Dindi  
That would be me without you my Dindi

And the  
Wind that speaks to the leaves  
Telling stories that no one believes  
Stories of love belong to you and me
