

Strange Kinda Love

Meja

You act like an idiot
Nothing makes sense
You're forcing me to ditch you
In self defense
You're living in a bubble
Nothing gets through
I don't know how many times I've
Said I love you
I wanna scream I hate you
I wish that I never met you
But I do it with love
Strange kinda love
I wanna scream I hate you
I wish that I never met you
But I do it with love
Strange kinda love
As soon as I am treating
you with disrespect
You come crawling like a hound dog
Rubber band effect
And now I'm lying like a freak show
Making you believe
That I don't care shit about you
I don't care if you leave
I wanna scream I hate you
I wish that I never met you
But I do it with love
Strange kinda love
Strange kinda love
Strange kinda love
Strange kinda love
Strange kinda love
I wanna scream I hate you
I wish that I never met you
But I do it with love
Strange kinda love
I wanna scream I hate you
I wish that I never met you
But I do it with love
Strange kinda love
I wanna scream I hate you
I wish that I never met you
But I do it with love
Strange kinda love
