

# Nobody Said It Was Easy

Mel McDaniel

Come sit by my side hold me  
Let's talk about us for a while  
We know that we are in love with each other  
But lately it's been hard to smile

But honey nobody said it was easy  
Sometimes it rains awful hard  
We can wither life's storms in each other arms  
But nobody said it was easy

Together let's count all our blessings  
Give thanks for the love that we had  
Add all the smiles subtract the tears  
The good times they outweigh the bad

But nobody said it was easy  
Sometimes it rains awful hard  
We can wither life's storms in each other arms  
But nobody said it was easy

Honey nobody said it was easy  
Sometimes it rains awful hard  
We can wither life's storms in each other arms  
But nobody said it was easy
