

You Sneaky Thing You

Mel McDaniel

I saw you walkin' down the street
I looked at you and you looked so sweet
There was nothing that I could do
You made me fall in love with you

Didn't want to but you walked by
Didn't mean to but a look in your eyes
Didn't plan to but what could I do
You sneaky thing you

I couldn't think of the thing to say
I looked at you and you looked away
I don't know what you did to me
But I could feel my knees get weak

Didn't want to but you walked by
Didn't mean to but a look in your eyes
Didn't plan to but what could I do
You sneaky thing you

I never wanted to fall in love
It was last thing I was thinkin' of
All above the next thing I knew
That I was in love with you

Didn't want to but you walked by
Didn't mean to but a look in your eyes
Didn't plan to but what could I do
You sneaky thing you
